

## VENT.3 Technical Data Sheet

**Product Group:** Flameproof Screen Vent Cowls

**Name:** Vent cowl with flameproof screen

**Size 1:** 3"

**Size 2:** Not relevant

**Product Code:** VENT.3

**Standard:** BSP thread to BS 2779-1956

**Weight:** 0.75 Kg

**Temperature Range:** Ambient temperature

**Dimensions Conformity:** To any relevant standard

**Working Pressure:** Maximum pressure of 6 Bar

**Application:** Flame proof screen for use on vent pipes from storage tanks containing flash point product

**Material 1:** Aluminium

**Thread 1:** 3" BSPF

**Conforms to:** BSEN12874:2001

**Overall diameter:** 125mm

**Base diameter:** 100mm

**Overall Height:** 80mm (height reduced by 25mm when fitted)
